Dear Parents and Carers,

St. Peter's Nursery is very lucky to be taking part in a project that is called 'Talk and Play'.

I have selected \_\_\_\_\_ to take part in the project with me!

The project will run for 9 school weeks and aims to help support children's communication and language skills through fun activities, songs and storytimes.

If you would like to know more about the project then please do not hesitate to talk to me or to contact me via Tapestry.

By creating your own account on the EasyPeasy web-based app you will be able to help support and develop your child's communication and language skills at home too. Please see Tapestry for more information on EasyPeasy.

Thank you as ever for your continued support!

Miss Tomlins
