Dear Parents and Carers,

As many of you will be aware from Tapestry, we are very lucky and excited to be taking part in a project in Nursery that is called 'Talk and Play'!

Because we are taking part in this project we are fortunate enough to be able to share with you free access to a web-based app called 'EasyPeasy'.

This app promotes and gives parents access to free home and play-based learning activities and ideas.

If you have not already done so, please visit the below website and enter the below code to access the EasyPeasy web-based app:

<https://www.easypeasyapp.com/parents/8ce48c>

Code: 8ce48c

I will be part of the St. Peter's Nursery Pod on EasyPeasy too so if you have any questions about EasyPeasy then please do ask me.

I'm really excited about this project and hope that this easy-to-use app will help you to support your little one with their communication and language development too!
