Dear Parents and Carers,

This week we will begin to send home our Nursery library books again.

Books will continue to be changed once a week on a **Thursday** so please ensure that your child brings their book into school each Thursday.

If you have any Nursery books that are still at home then please bring them back to school as soon as possible.

Due to Covid-19, all books will continue to be **quarantined** for a minimum of **72 hours** before they are handed out again.

I always recommend to parents that they read with their child 'little and often' and as regularly as possible. Take time to talk about the pictures with your child and ask them questions about the story. I love seeing and hearing about what you and your child get up to at home so please feel free to share any pictures or videos of storytime with me via Tapestry.

If you have any questions then please do message me on Tapestry.

Thank you as ever for your continued support!

Miss Tomlins
