Thank you

I would like to thank parents/carers for your support during what has been a challenging half-term. It is vital that we work together to ensure that your child continues to succeed both academically and personally during the pandemic. Making sure your child reads regularly at home is the single most important thing you can do to help us. I very much appreciate the effort of many parents in Years 1, 2 and 4 who managed to access the online learning we provided when those classes were isolating. I would also like to thank those parents who contacted us when they were unable to do so.

I am delighted with the children's behaviour this half-term and with the positive attitude they have shown. They are a credit to you.

I hope you have a happy and enjoyable half-term break.

Mr. Wedgeworth

MyOn

Please note we have changed our school name on MyOn.co.uk. This is to avoid confusion when logging on as there are many St Peter's using the platform. **School Name: Bury St Peters**

SchoolMoney

We are delighted to inform you we have recently signed up to the online payment system SchoolMoney. This means that you will now have the facility to make payments for school expenses. You will not need to sign up to this system as this has been done automatically through the school and as long as you have provided us with up to date contact details we will have sent you a password. This password will give you access to your SchoolMoney account where you can pay for any items we have requested from you.

To log into SchoolMoney, visit the website www.eduspot.co.uk and click on the sign in button in the top right hand corner. In the drop down, select the SchoolMoney Parent Login option and this will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you, and your child's first name. If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

Clubs (breakfast & after-school)

Our breakfast club operates from 8.00am every day. Each session will cost £3.00 per child and £2.00 each for any other children in the same household, unless pupil premium, which remains free. All places will need to be booked in advance and you can book as many sessions as you wish over a week. If you would like to book a place for your child, please log on to School money our online cashless system.

Our after school club will operate from the end of the school day until either 4pm (short session) or 5.30pm (long session), Mondays to Fridays. At the after school club, the children are provided with a drink, a piece of toast and a piece of fruit. There will be a mixture of opportunities for play and learning, including support with homework as well as outdoor physical activities. We require places to be booked at least 24 hours in advance. You can cancel sessions without charge up to 24 hours in advance. Sessions cancelled less than 24 hours in advance will still be charged

It's Harvest Time!

Our Harvest celebrations was a little different this year! However, as always, the generosity and kind nature of our families and staff shone through. Our collection this year was overflowing. All of this year's food will be heading to The Roc Centre to help those families most in need. We would like to say a huge THANK YOU to everyone who donated.

Family Photo

Due to the current conditions imposed on our schools by the coronavirus, many families have been unable to enjoy the experience of bringing their younger children into school to have a family group photo with their older siblings. In order to facilitate this, our school photographer has set up a 'School Sibling Studio' at John Hunt Photography and parents can now take their children by appointment for a family group photo which will emulate the school photo style. If you are interested in booking this please contact John Hunt Photography (0161 723 5170)
